At SAL12Step, recovery will always be free for the taking. We are fully committed to offering all of our 12 step meetings for free, always and forever. You can continue working your program, completely free of charge, as you have done in the past.

However, for those who have the desire to give back to the Foundation to help grow and support the work of recovery, and for those who have the desire to deepen their personal recovery and find ways to work the Steps more consistently, we are so excited to offer these new resources through sal12step.org. We know that working the Steps is what brings the promised gifts of this program into our lives, so we can continue on the beautiful path of lifelong recovery, one day at a time.
